

Becky L. Gordon

August 17, 1939 - November 26, 2019

Gordon, Becky Lynn, 80, passed up to paradise on Tuesday, November 26, 2019 in Tulsa, OK. She was born August 17, 1939 in Tulsa, OK to John Henry and Aileen (Leedy) Barhydt. Becky married William "Bill" Gordon and they enjoyed 59 years of marriage.

Becky was successful as a Realtor for McGraw Breckenridge for many years. In 1986, her son, Steve and Becky graduated together from Oklahoma Christian University. She obtained her Bachelor degree in Education and then was a teacher for many years. One fond memory shared by the family was when she would close on a house, a shopping trip to Renberg's clothing store was imminent.

Looking back now, her caring and loving spirit was unconditional and her heart was made from pure gold. Her acts of giving was how she gave and received love. Becky was the kind of Mom that was always be there for her family. Mom loved hearing her son's voices, even if it was just from voice mail playing back. She was an active member of the Church of Christ bus ministry at 10th & Rockford where she made fresh homemade cookies for all of the children that rode the bus. Maybe that is where the family got their sweet tooth! Her sweet smile and soft voice will be dearly missed. We will love you forever!

She was preceded her in death by her parents and son, John Mark Gordon. Becky is survived by her husband, William A. Gordon; her sons, Stephen, Michael and Paul; multiple grandchildren and great grandchildren as well as one great-great granddaughter.

“ When I last saw my Aunt Becky, I told her she was my second mom. She is present in many memories of my childhood. Earliest one is sitting around a kiddie pool at the country club in Bartlesville where we lived. My mom laughed and said that Paul was the only toddler who could figure out how to get dirt all over himself at a swimming pool. Visiting the farm in Blackwell was a huge adventure and I remember running, running, running with cousin Steve. So many fun things. Giant wheat field to play hide and seek and oh! A frozen cow!!! Fire ants, trees to climb and a horse! I remember aunt Becky baking in a large farmhouse kitchen and fiesta ware dishes. Aunt Becky was persistent (in a living way) in keeping up with me, my husband Nicholas and daughter Zoe. She sent us many thoughtful care packages and tapped her desire to shop in the young women's department (at renberg's?). I have many loving letters from her. Many fond memories. I will miss her. I send my love to uncle Bill, Steve, Michael and Paul. You all are in my thoughts and I wish I could have been there to grieve with you. I love you, Mandy
