

David Murphy

June 22, 1952 - May 11, 2019

David was born June 22, 1952 in Kilsyth, Scotland to Michael Murphy and Rose (McGuire) Murphy. He was the eighth of nine children. He lived in Denny, Scotland most of his life. During this time David had many adventures some we may never know and others that were life changing. This is where David started his family. He met and later married his first wife. Most importantly he proudly welcomed his sons, Steven and Stuart into this world. He worked for Scottish Power as a mechanical fitter until he retired after 45 years of service. David met his wife Joan on the internet and immigrated to the US to be with her. They married in December of 2001. He not only became a husband again, David became a father to Roger and Jason.

David, never one to be idle, worked installing cabinets for their kitchen design company and later he worked for Mill Creek Tile until he retired again. After his second retirement David filled his days with lazy days fly fishing, painting landscapes, working on cars, doing DIY home projects and even tried his hand at making wine. He was very proud of his Scottish heritage and would share it with friends and family. He was also very proud when he became a US citizen on June 28, 2016.

David passed away May 11, 2019 in Tulsa Oklahoma with his wife and sons in attendance. He leaves behind his wife, Joan; sons, Steven, Stuart, Roger and Jason; grandchildren, Colin, Owen, Morgan, Dylan, Deacon, and Donovan; sisters, Anne, Mary, and Rose; brothers, John, Pat and Jim; and multitudes of nieces and nephews. He was preceded in Death by his parents, Michael and Rose Murphy and brothers, Daniel and Michael.

“ Uncle David was one of the most caring and easy going people you would ever meet. Always ready to give a helping hand. He made delicious wine, but his peach wine was my favorite, he made Mason and I our very own peach wine with a personalized wine bottle as a wedding gift to us. He had many talents and told the best stories, he knew how to make you laugh. We loved his accent and I loved telling people my Uncle was from Scotland.

“ David was a genius when it came to remodeling. He and and Joan redid my 1970s home. Every bit of work he did was awesome. I truly enjoyed working with him. He was pleasant and funny everyday for three months. I was sad to see him go when the project was over.

“ What a wonderful person. David was such a caring and sharing person. He never thought twice about providing a helping hand to others. He loved to share stories about family, friends and Scotland. He shared his humor, joy and laughter with everyone in his presence. We will remember how lighthearted he was and the happiness he brought to our family. Miranda, Ed and Garrett Sartor
