“ Our family is really spread out living in various places between Tulsa and Florida so a get together was always such a treat. This particular trip was a lot of fun, thus It is a great memory. As we aged, we knew our group would shrink, but we never, ever imagined we would loose Dorinda first and at such a young age. Rest In Peace. And condolences to your immediate family.

“ As Michael's wife and my sister-in-law, Dorinda was a valued part of our family. When she attended family gatherings with Mike her sense of humor and kindness made our visits special. She will be missed.
