

## Frank Bruce Douglass, Jr.

October 19, 1929 - June 28, 2021

Frank Bruce Douglass, Jr. of Tulsa, Oklahoma departed from this life on Monday June 28, 2021 at the age of 91. He was born October 19, 1929 to Frank Bruce and Mary Elizabeth (Shoults) in Penalosa, Kansas.

He had five sisters and was next to the last child. He grew up in Clearwater, Kansas and graduated from Clearwater High School where he played on both the Varsity Basketball and Football teams.

Frank and Marcia Lee Potter married in 1949 and they had three children: Tom, Kirk and Jana. In 1953 the family was relocated from Wichita, Kansas to Oklahoma City and lived in the Mayfair area and later in the Village for many years. Upon Marcia's death in 1962, Frank struggled raising three children and working full-time without a life-partner. Then he met Opal Mae McMillan and fell in love again. They married on July 4, 1964. Opal had two sons; Mark and Michael. The family expanded to five children spanning over ten years in age. Opal provided the love and support Frank needed until his death one week prior to their 57th anniversary.

He was active in various Independent Christian Churches for most of his adult life. He served as an Elder and Sunday School teacher for decades. Frank spent thirty-plus years working for Cities Service Gas Company and Williams Pipeline in Wichita, Oklahoma City, and Tulsa. Most of that time he was the Gas Measurement supervisor in the head office.

Frank was the ultimate family-man. He raised his children to be the best they could be in every way. He never missed an opportunity to show his family by his own actions and instructions how to be a good citizen. He served as the moral compass and his children thank him today for being an excellent father.

Frank is predeceased by his parents Frank and Mary; sisters, Bonnie Simpson, Betty Higgins, and Ruth Dorsett; and son, Kirk Douglass.

Those left to cherish his memory are his beloved wife Opal; sons, Tom Douglass and wife Connie; Mark McMillan and wife Sherri; Michael McMillan and wife Linda; daughter, Jana Douglass Moore and husband Jack; sisters, Agnes Marx; Margarett Nease; nine grandchildren; nine super cute great grandchildren; and many friends he acquired over a lifetime of being a really great guy with a big heart.

“ My heart is broken at the loss of my Daddy. He was my hero, my moral compass, my best friend. It's impossible for me to express in words how much I already am missing him. I've wondered how I'll manage not talking to him everyday, the answer is that I don't expect that to change. I'll just keep talking and I know he'll be listening.

“ When Frank was working at Cities Service in Wichita he parked his car on the street. When he pulled out he accidentally bumped a car also parked there. He wrote a note and put it under windshield wiper giving his name etc. That driver was so impressed with his honesty that he wrote an article in the Wichita newspaper.
