

Geoffrey "Geoff" Windsor

August 11, 1970 - April 13, 2021

Geoffrey Paul Windsor (Geoff), 50, of Tulsa, passed away Tuesday, April 13, 2021. He was born August 11, 1970 in Hialeah, FL to Eugene and Annette Windsor. He and Dona Harrell were married in August of 1998.

Geoff was always looking up. He was an avid star-gazer who loved flying and all things aeronautical, often planning family vacations around shuttle take-offs in Florida. He enjoyed scuba diving, weekends by the pool and entertaining family and friends, but his favorite interest was flying airplanes which he did for over 25 years. He was always there to support his kids at every sporting event and loved attending almost any type of sport - from the Thunder to Drillers to Dallas Cowboys. He was a walking dictionary, thesaurus and almanac who was always ready to support, instruct and help anyone in need. He had a bright smile and a brilliant, infectious sense of humor. Geoff took every opportunity to engage others in word-play and easily shared his quick wit. He was deeply loved by his family, friends and all who had the privilege to know him. The impact he made on us will never be forgotten.

Geoff attended Victory Christian School, graduated from R-S Central High School (N.C.), received a degree in aeronautical engineering from Embry-Riddle Aeronautical University. An IT specialist for over 20 years, Geoff was the owner and driving force behind Windsor Consulting. He counted his clients as his friends. He was a decorated Senior Airman in the U.S. Air Force and served in Germany, Turkey and Saudi Arabia.

He is survived by wife, Dona, of Tulsa; children, Mindy Rhodes (Tory) of Oklahoma City, Geoffrey and Henry of Tulsa; parents, Eugene and Annette Windsor of South Carolina; sisters, Kelley Owen (Chris) and Nellie Windsor; uncle, John Windsor; nieces, Lilli Reed (Bo), Emily Dale; nephew, Andrew Dale (Sallie); and great-niece, Dottie Dale, all of Tulsa, OK; and so many friends and family - most of whom were clients at one time or another.

Donations can be made to the Geoff Windsor Memorial Fund at Arvest Bank.

Funeral service will be 11:00 A.M., Tuesday, April 20, 2021 at Moore's Southlawn Chapel, 9350 E. 51st, Tulsa. OK. Graveside services will be 2 P.M., Tuesday, following the funeral at Fort Gibson National Cemetery, Fort Gibson, OK.

“ You cannot begin to know how many lives Geoff touched. To me he was an encourager and leader. I weep with those of you who weep. Rom. 12:15. We worked together 20 years ago at the same consulting company and I really valued his friendship and business insights.

“ I'll remember Geoff for his kindness, intelligence and humor. He was always quick with a smile, eager to help however he could, and willing to share his expansive knowledge on a wide variety of topics in friendly conversation. I was so saddened to hear of his passing... far too soon. My thoughts and prayers are with Dona and the family. Geoff's great love for all of you was clearly evident.
Deepest condolences, David Lange

“ Geoff is an enigma to have as a friend. Our small talk is never small...it's always of great import — family stories, flying highs, military service. Geoff has an opinion on everything, & sometimes we agreed, occass. we argued, but we always sympathized with each other. He spoke often of Dona, great adventures with Geoffrey & Henry, and his uncle. Like me, he fretted over his career & daily life, but we always made a joke & laughed in the end. Ultimately, I'm sad that I didn't get to hear his wicked wit one last time, but it is forever in my mind. Love you, buddy.

“ I am so saddened by the passing of such a kind, smart and friendly man. In addition to taking care of all computing related needs for work, I enjoyed our far ranging conversations tremendously. He was a brilliant, warm person who I will really miss. God Bless and care for his family.

I am still in shock that Geoff has passed. He was a special friend to me through our jobs, we shared the same beliefs and we both had a love for good food. He was so brilliant sometimes our conversations were over my head, I once asked him if he was a nerd in high school as he was so up on technology. Thank goodness he had a keen sense of humor. I will miss him and think of him often. He is probably flying high right now with a big smile. May he Rest In Peace and God bless and be with the family.

Geoff was a very nice person. He would have all the answers to questions and had no problem answering them. He will surely be missed. May the good Lord open his Golden Gates for him. RIP friend.
