“ I am deeply saddened to hear of George's passing. He was great friends with my husband Albert for all their school years; and he was my good friend through junior high and high school. He was a great guy! We visited him in Tulsa several times before losing touch. Albert's brother Jim (who lived in Sand Springs) also kept in touch with him.

My deepest sympathy and prayers for his family.

“ George and I became friends in Mr. Eaton's Speech class in our eleventh grade as we had deeper voices than other classmates..

One day we decided to put a thumb tack in his chair and he sat down and never said a word, After class best I remember we went and apologized. He just laughed and told not to pull that stunt again.

He will be missed by his classmates.

Go rest high on that mountain George as your work here is done. R I P

Condolences to the Brence family.

“ One of my favorite memories. George used to come by our house at lunch make 2 sandwiches pile them together and eat them just like that. And then wash it down with a half gallon of milk.  
His nickname for me was "little maggot " I thought it was a term of endearment haha  
You will be missed. I am glad your pain is over. Love, your niece Judie
