“ I have been a neighbor of Jim's for 30 years and very much enjoyed knowing him and visiting with him over the years. I use to bicycle a lot in the neighborhood and Jim would be out walking his dog and we would stop and visit quite often. I also had a lake place in Strang, Ok. and would see Jim in Langley and visit with him he would be there fishing and hanging out. My wife and I enjoyed watching Jim and China man getting packed up for their Kansas trips and his Cat crossing the street to visit the neighbors. He will be missed .by all, a good man and even better Soul .

“ James V. Thomas (aka as Jimmy or JT) passed from this earth Friday, January 22. He was a kind, caring, thoughtful, funny man and a born story teller. He enjoyed the lake and fishing. He loved to be in the woods, watch the wildlife and hunt. He loved to listen to live music with a cold beer. He enjoyed traveling to Alaska and Jackson Hole Wyoming. He never knew a stranger and would instantly become your friend. He touched many lives in his lifetime and many touched his life. He was blessed to be loved by so many. He and his wife Sherrie Ann were married just a month shy of their 60th wedding anniversary. They had 3 daughters - Wendy McCall, husband Tom, Rebecca Beals, husband Norman and Tracy Wiley, husband Dan. Son, David Roy, wife Nanette. Grandchildren - Christopher McCall, wife Alysha, Ashley Krahl, husband Jeremy, Nicholas Beals, wife Amour, Michelle Beals, Austin Boyer, Joshua Wiley, April Wiley, husband Melvin Cagle and Catherine Wiley. And several great-grandchildren and great great grandchildren. Cheers to you dad! I'm sure you're up in heaven telling stories to everyone you missed down here - many new stories. You were an amazing friend, listener, teacher, provider and most importantly my dad. You will be truly missed. See you soon
