

Karen E. Hutchinson

December 5, 1961 - December 27, 2020

Karen Elizabeth Hutchinson was born on December 5, 1961 in Tulsa, Oklahoma to Martin and Mildred Wyatt. On Sunday morning, December 27, 2020, Karen passed peacefully at home surrounded by her family. Karen grew up in Tulsa, Oklahoma with her parents and 3 siblings.

Karen grew up as the youngest of 4 children. She was known to be spunky and ornery growing up. She attended and graduated from Bishop Kelly High School. Karen went on to have her children Natasha and Nathan while being a stay-at-home mom for several years. She began working at St. John Medical Center in 1996 as a Central Processing Technician. She loved her job and the numerous friendships she made while working. Karen worked at the hospital until 2012 when she "retired".

Karen met Max Hutchinson while working at St. John's. They married on November 22, 2005 surrounded by parents, children, and friends in a small ceremony. They together raised their 4 children: Natasha, Destyn, Nathan, and Cody. Together they enjoyed being outdoors and traveling.

One of Karen's greatest joys and accomplishments in life was being a Nana. She began to help with her grandsons full time when Jaxon was born in 2012 and continued with this until he went to school. Karen was the best Nana and loved all four of her grandchildren more than anything, and they in return loved her and was their favorite person.

Karen is preceded in death by her parents, Martin and Mildred Wyatt; mother and father in-law Ronald and Barbara Hutchinson. She is survived by her husband Max of Owasso, OK; daughter Natasha Wolf and fiance Nathan Ivy of Tulsa, OK; son Nathan Smith of Owasso, OK; son Cody Hutchinson of Owasso, OK; daughter Destyn Lewis and husband Trent of Owasso, OK; grandchildren Peyton Wolf, Dylan Wolf, Jaxon Wolf, and Ryann Lewis, sisters Martha and Judy Wyatt, and brother Chris Wyatt and wife Judith; as well as many other family and friends.

Karen was loved by all that knew her and she will be deeply missed. She leaves a lasting imprint that will not soon be forgotten with the many memories and lessons she shared. We are left with the peace that she is no longer suffering or confused but in Heaven surrounded by loved ones.

“ Sincerest condolences to Karen's family. Although it has been years since our years at Madalene school our life long friendships and family ties have kept us together. Her smile and laugh are forever remembered. All three girls; Martha, Judy, and Karen and Chris were absolutely a blessing to all of us and made a life long impression.
Prayers for all.

“ My need to take early retirement 3 yrs ago turned out to be an unforeseen Blessing. It gave me extra time to spend with my sister Karen, and help with her care, that I never would have had otherwise. For that, I was a lucky. Thank-you again Max-for the love and life that you gave my sister. Karen, I will miss you--- My Darling and my "Baby Doll", until we meet again-- Your Tulsa sister, Judy

“ First off, my deepest condolences to Karen's family and friends. I remember the first time I met Karen. Her brother Chris had brought me to their home in Tulsa to "meet the family". Although that was many years ago, I remember how pretty she was and how nice she was in welcoming me to their family. She was about 20 at that time. I think she had a lot of friends which seems to go along with her personallity. Because we always lived so far away, I didn't get to Know Karen as well as I would have liked, but I can say for sure she was an excellent mom and was always there for Natasha and Nathan, and most assuredly, her grandchildren. I am grateful for the time we did spend together and I have faith she is with our Lord and Savior, completely loved, healed and happy. I also hold onto the belief her mom, dad, and other relatives were there to meet her and welcome her home. We love you Karen and will miss you terribly. Rest in Peace until we meet again. Lovingly sent, your sister-in-law, Judith Campbell Wyatt.

“ Dearest Karen, I remember Mom and Dad bringing you home after you were born and Mom holding you in her arms. I will miss your smile and your laugh. I can close my eyes and see you riding your bike in the back. We were blessed to have you as a sister and I will miss you so much. Love forever, brother Chris and wife Judith.
