

## Lakesha Richard

December 21, 1985 - May 29, 2021

Lakesha was born December 21st, 1985 in Tulsa, Oklahoma. In 2013, as luck would have it, she met her neighbor Ben Stott. Ben could not resist her beautiful smile and personality. Somehow, he managed to accomplish what most men can only dream of and won the heart of "the girl next door" and in May 2013, they made it official.

Lakesha was a strong woman who was never afraid to speak her mind. She enjoyed playing games at the casino, cuddling with her dog Grey and listening to all genres of music. She had an affinity for classic muscle cars, her favorite being the timeless Ford Mustang.

More than anything, Lakesha loved spoiling and spending time with her grandsons.

Lakesha was preceded in death by her mother Sandy Tullis.

She is survived by her husband, Ben Stott; her stepson, Dustin Stott; her stepdaughter, Ashley Stott; her grandsons, Noah and Zachary McKaskle; her puppy, Grey; her sisters, Shelly and Danielle; as well as an abundance of extended family.

She will be eternally loved and forever remembered.

*Kiesha was always an out spoken person. And she seen to always keep my brother in line. Which is what he needed someone to do. She gave her all once she got to know him. They went through a lot but they managed to stick together through it all. She will be missed dearly. She will always be watching over him. She loved her little family they had together. And her 2 grandson's where her world.*
