“ Mary was my mother in law but she was also my friend and she was a hoot! One time she showed up for family dinner with a rhinestone stuck to her nose so we would think she had pierced her nose. She loved to laugh and to make others laugh.

“ Mary was a grand, tolerant woman. I remember playing poker into the wee hours of the morning but she and doc never kicked us out! I think she liked all the ruckus. Our condolences to the entire family.
