“ I so enjoyed my time with Matthew at Father Ryan High School. I was one of Matthew's band directors. Matthew was talented, fun to have in the room, and a great person. I have many great memories with Matthew and his contributions to the band, and school. God bless Matthew.

“ I remember Matthew so well. I was his College Counselor at Father Ryan. So bright, so talented (believe he played the saxophone if my memory is right), and so polite, courteous and respectful. God bless him. Peace

“ I've been working in the same building with Matt for the last few years. He was one of the good guys that everyone enjoyed being around. He was a quite guy. It was a pleasure to have worked around him. I will miss saying good morning to him as he passed by the guard station on his way to Walgreens or when he and the other guys were going for lunch. Super nice guy. His mom and dad did a great job raising such a classy young man. He will be missed by all of us. RIP big fellow. My condolences to his family and friends. Praying for you all
