“ Growing up next to the Roso Family was truly a blessing. Knowing Philip taught me that big strong men are sometimes gentle giants with equally large hearts. One was always received with a warm welcome at Mr. and Mrs. Roso's home. They raised kind children and my heart is with Philip's lovely children, Mr. Roso and Raymond. Warm hugs & Condolences From England,

“ Lauren and Daniel...
I just wanted to reach out and tell you how sorry I am to hear about your dad's passing. I know he has been reunited with your mom and what a joyous reunion that was!

Tim and I met your mom and dad at NEO in 1978-1979 and became dorm/college friends then. But as time went on we lost track of each other until the loss of your older brother when I reached out to your mom. We became a sort of sisters then as I had experienced the same loss a few years prior. We spent a lot of time together during the following years and I was there when both of you were born. What joy you two brought your mom and dad! Your mom was an amazing person as was your dad - he had a heart of gold especially for you kids and your mom. He was so proud!

Praying for peace and healing for you both.
