“ Fathers Are Wonderful People  
by Helen Steiner Rice

Fathers are wonderful people  
too little understood  
And we do not sing their praises  
as often as we should.....  
For somehow, Father seems to be  
the man who pays the bills,  
While Mother binds up little hurts  
and nurses all our ills...  
And Father struggles daily  
to live up to "his Image"  
As protector and provider  
and "hero of the scrimmage"....  
And perhaps that is the reason  
we sometimes get the notion  
That Fathers are not subject  
to the thing we call emotion,  
But if you look inside Dad's heart,  
where no one else can see,  
You'll find he's sentimental  
and as "soft" as he can be...  
But he's so busy everyday  
in the grueling race of life,  
He leaves the sentimental stuff  
to his partner and his wife...  
But Fathers are just wonderful  
in a million different ways,  
And they merit loving compliments  
and accolades of praise,  
For the only reason Dad aspires  
to fortune and success  
Is to make his family proud of him  
and to bring them happiness...  
And like Our Heavenly Father,  
he's a guardian and a guide,  
Someone that we can count on  
to always be by our side.
