

Rodrigo Botello

December 20, 1935 - June 25, 2020

Rodrigo Botello went to heaven on June 25, 2020 surrounded by his family. He was born on December 20, 1935 to Dolores and Lewis Botello in Castroville, Texas. He married Consuelo Rodriguez on April 27, 1955. They went on to have five children.

Rodrigo worked in the dry-cleaning business for many years while living in Michigan and Oklahoma. He enjoyed this profession and took pride in his work. He enjoyed listening to his favorite country singer, Loretta Lynn, Conway Twitty and Freddy Fender to name a few. He loved listening to his Mexican music especially the songs that featured the accordion. Everyone that would visit him would hear his music playing in his garage, car or home. His final days were filled with music playing in his room at all hours.

Rodrigo was a very outgoing person and made many friends through out his life. He enjoyed going out to people watch at his favorite McDonald's where he would talk to those around him. He cherished the times that he met his brothers for breakfast once a month where they would sit and drink coffee and talk. Rodrigo had a love for his family. He loved his children and was very proud of the people they became. His grandchildren and great-grandchildren were his pride and joy. They all were blessed to have him in their lives for many years. Even as his health was declining, he stayed positive and loving to all those that visited with him. He would smile, share a joke, and he would let everyone know that he loved them.

Rodrigo is survived by his wife of 65 years, Consuelo; his children Mary Botello, Rosalinda (Bob) Carlson, Mark (Lena) Botello, Martina (Gordon) Cocklin, Delores (Victor) Bernal; 14 grandchildren and 19 great-grandchildren.

“ Rodrigo (Leo) was a good man. I remember him welcoming me into the family. He had a very welcoming and generous spirit and a great sense of humor. May God have mercy on him, show him all his love and welcome into his kingdom.

“ To my uncle Rodrigo who was more like a big brother than an uncle you will be missed. You are in my thoughts every day and night. My condolences to my cousins on this very sad occasion. May god bless and watch over you.

“ I will always miss my uncle Leo. He and my other uncles all stepped up and filled in when my daddy passed away. He was always calling us, asking us how we were and wanting to know about our family. One of the things I will always remember is Todd telling me how he reached out to him with both arms for a hug. It made Todd feel special and loved, this is just the type of man he was. I will always love you uncle Leo.

“ To my beloved uncle Rodrigo you have made a great impact in my life more than you could have ever imagined. You had an unconditional love to anyone who had the great pleasure of knowing you and that was felt so deeply by everyone. You will forever be instilled in my heart forever until we meet again my beloved uncle Rodrigo
