“ Dearest Grandfather,
It is with heavy heart and sorrow to learn of your devastating loss which no words can console. If ever I can help you bare the pain your heart and soul must surely feel, I am but a whisper away. May the Lord our God comfort and cover you today and always, fore you have earned righteousness in your faith in him and he has never foresaken his love for you because you are more than a conquerer. You are his Son and he is your Father. Go now and rejoice in his promise to you and know that all is as should be and rest your weary heart for his promise to you indeed shall be kept forever and ever. Amen.
