

Stephen D. Heller

August 19, 1955 - September 7, 2020

Stephen Dyer Heller, age 65, died September 7, 2020. Stephen was born August 19, 1955 in Tulsa, Oklahoma. He is the 2nd of 4 children born to John and Mary Ann Heller of Tulsa, Oklahoma. He attended Ponca Military Academy in Ponca City, Oklahoma and graduated from Edison High School in Tulsa in 1974. He graduated from Oklahoma State University with an Associates degree in Accounting. He chose to make his home in Tulsa and began working with several accounting firms. While with these firms, he became a Certified Financial Planner and later certified as an enrolled agent with the IRS. This allowed Steve to represent clients as their advocate before the IRS. With this experience and training, he started his own bookkeeping and tax service. He eventually bought a directory service and named it Mid America directories.

After receiving Christ as his personal Savior and Lord, he eventually made his spiritual home at First Baptist in downtown Tulsa. He formed a strong bond with the Saints of the adult Sunday school class.

Steve was an avid OSU and OU football fan. His hobbies included collecting coins and stamps and participating in the stock market. His love for Oklahoma history led him to create the "Oklahoma room" where he would spend a lot of his time. He will be remembered for his kindnesses and his loyalty to those closest to him.

He is survived by his two younger sisters Tracy Heller of Fullerton, CA, Margaret Heller of Ponca City, OK, and his older brother John Heller II (Bobbie) of Baudette, MN. In addition, two nieces, Michelle Schuchard (Scott) of Little Rock, AR and Sarah Block (Keith) of Baudette, MN, a nephew John Heller III (Kari) of Boone, IA, four cousins, 7 grandnieces, and 5 grandnephews.

“ My dearest brother, Steve who protected me as a little sister, guide my soul to the light, instilled high standards of work ethics. I never knew how much love Steve radiated until I saw it with my own two eye how he brought our almost estranged family back together. My big hearted brother was my hero and I will miss him in real time but I have gained a closeness with my brother in meditation and pray

I love my brother Steve who gave me hope in the darkest times.

“ I'm so sad to hear of Steve's passing just today. I want to send my condolences to his family -- especially to his brother John whom I know Steve was very grateful to for his help during the past few months. Steve and I worked together for 25 years. During that time, we faced a lot of serious challenges, but we faced them together as a team. I will miss our Friday lunches and the fun we had together going to garage sales. But what impressed me so much about Steve was his steadfast commitment and faith in the Lord. These are the qualities that also influenced my life and that I will remember the most about him.

“ Thank you Steve for your powerful witness while you were going through this challenging time. I pray I would have been as powerful a witness as you have been. Thank you for standing out as a faithful soldier for all of us whose time has not yet come and may we be as powerful a witness when our time comes. You truly were a light. Mary Friese
