

Terry Jean Farrier

May 26, 1944 - August 12, 2019

Terry Jean Farrier, age 75, passed away in her sleep here in her hometown of Tulsa, Oklahoma on August 12, 2019. She was the oldest of two children born to James Shurig and Gloria Hagaman in St. Louis, Missouri. She is survived by her sister, Joan Roberson, and the father of her two children, Jack Farrier. Terry was the best mom, Den Mother, and Troop Leader who raised two children, Joe Farrier and Krista Simon. She leaves behind four beautiful grandchildren, Abigayle Farrier, Andrew Farrier, Alexa Simon and Ryder Simon. Terry graduated from Edison High School ♦ Class of ♦62. She attended Oklahoma State University and was a Frosh Queen winner.

Terry loved her town of Tulsa, dabbling in art, cake decorating and was so creative! She loved nature and loved animals - so much that she nursed back to health any creature ever that was brought to her home. She was passionate about gardening- always the most beautiful one on the block! She loved fishing and the "freeing, tranquil feeling" nature and the great outdoors "healed the soul"! Terry is remembered by many students and faculty at Union High School where she worked many years and retired from in 2013. She greeted everyone at the front desk with a beautiful smile! She most loved working with "the kids" at UHS who "kept her young and going"!

Funeral Services: her wishes were "no funeral services and to be cremated". She wrote, "instead you can check in with me anytime... out in your yard or the dust from your coffee table". If you would like to leave Terry and her family a comment, a wish, a joke, or a story that you know would make her laugh or grin or roll her eyes, please visit website: moorefuneral.com.

In lieu of flowers or gifts, she would love for anyone that wishes to make a donation to the American Macular Degeneration Foundation. <https://www.macular.org/how-donate>

“ I too was loved on by Terry, I did not teach at the HS but came through the office daily to check my mail box. She was the "face" of Union HS for many years. I always put a pack of gum in her desk drawer on "kick off" day for teachers. So sorry for your loss and i will think of her every time i dust my coffee table now!!! Edie Allen

“ Mrs. Farrier was so much fun! During my senior year at Union, I worked in the office and I knew that hour was going to be fun. She had such a glow and wonderful spirit! I love her quote, “ instead you can check in with me anytime....out in your yard or the dust from your coffee table”.

“ I was Ms. Farrier's office assistant for 3 years in a row, I loved her! We had so many good conversations, she treated me like her own child. I remember she would always bring homemade goodies around Christmas. She was simply the best!
Prayer to you and your family.
She was loved by many!

“ When you went to the principal's office at Union, it was never for something good. It was never a fun experience. Except for your mom. She was charming and funny and could make you laugh even when you were waiting to get swats.

Before high school, she was the cool mom who drove us around in her cool Thunderbird (I thought it was cool) before she handed it off to Krista. She always seemed to be having as much fun as we were.

I have a lot of fun memories of your mom. I'm glad she passed peacefully and had a lot of people in her life who loved her, and love her still.

“ She was a light to many, and certainly for my mom the past 15 years. As you know, she and my mom shared lots of laughs and time just being together. My mom lost a good friend, but will have the good memories. I remember her full of life at UHS and even still the voice on the phone when my own kids attended UHS many years later. My earliest memory of her was when she picked me up in some convertible car and took a group of us to play putt-putt golf (1975???) Joey do you remember...was it Lori Barnes and Brent Wilson? ANYWAY, I really think she had more fun than we did that day! With the top down, her hair tied up in a scarf and sunglasses on I was convinced she should have been a movie star! Much love to your family and prayers of peace and comfort. Your mom was such a special lady.
