“ My grandmother is the most beautiful, gracious, and classiest woman I have ever meant in my life! She was so kind, but always told things how they were- she taught me how to be a lady and how to take pride in the things God has given me and the person that I am! One sentence or paragraph cannot begin to sum up the love that she brought into this world, a love she gave to anyone who came into her life! i pray that I will be half the woman she was one day and I am so proud to call her my Grandma!
