

William Robert Patterson

May 21, 1990 - June 22, 2022

William Robert Patterson was ushered into Glory after a hard-fought battle with depression on June 22, 2022, at the age of 32. He is now in the presence of the Lord.

Robert grew up in Dallas, TX. He loved being surrounded by nature and could often be found hiking or camping in the forest. He loved the ocean, whether surfing in Florida or sailing in Seattle. His love for the outdoors was exceeded only by his love for pizza. He had an entrepreneurial spirit and was self-taught in computer hardware, software, and cryptocurrencies. Robert worked in the software industry as a program manager, but his passion and preferred profession was to be an aeroponic farmer. He had dreams of starting his own non-profit farm to grow vegetables to benefit homeless shelters. He had a true servant's heart. His life motto was to leave every place and every person that he encountered a little better than he found them.

Robert will be remembered as a clever, selfless, giving person who loved his family and friends and was always willing to provide a helping hand to whoever needed him.

He is survived by his mother, Melissa Willoughby and husband David, his father, Mark Patterson and wife Nancy, his sisters, Kristin Patterson, and Rachel Thompson and husband Christopher and daughter Sophia, grandfather, James Baynham, and step-siblings Jennifer Grubbs, Jennifer Bilawey, Suzanne Bagby, and Phillip Bagby. He was preceded in death by his grandparents William Robert and Peggy Patterson, Joan Baynham, and Morris and Mary Frances West, and his uncle and aunt Dr. H.C. and Pamela Mueller.

The Memorial Service celebrating the life of our beloved Robert will be held on Friday July 15th, 2022, at 10:00am in the Faith Chapel at Prestonwood Baptist Church Plano Campus. Neal Jeffrey will officiate.

In lieu of flowers, donations may be made to the Dallas Children's Advocacy Center in Robert's honor.

Please help us pay tribute to Robert by sharing memories and condolences at the online memorial below:

“ So sorry to see this news. Robert was one of the first OPMs I met working at Blueprint and he always had a huge smile on his face. His enthusiasm for even the most mundane tasks was unmatched. Rest in peace.
